

**BANGALORE RCOG TRUST**  
**CME ON CARDIOTOCOGRAPHY**

**Programme overview:**

The Bangalore RCOG Trust (consisting of RCOG fellows and members in Bangalore) is an active academic entity aiming to provide internationally accepted evidence-based training to all those who are interested in improving their practice.

This programme is suitable for any individual who spends a significant amount of time in the labour ward monitoring women in labour electronically using the CTG machine. With litigations on the rise recently in obstetric practice, CTG interpretation and appropriate management has become of paramount importance. This programme aims to aid registrars, obstetric consultants and nursing staff in triaging women for timely and optimal management.

**Why attend?**

- Understand the principles of cardiotocography
- Update and refresh current concepts
- Certification from Bangalore RCOG Trust on CME on CTG, handouts.
- Immediate applicability in one's practice
- Empowers registrars and postgraduates to correctly interpret and inform seniors

**Who should attend?**

- Practising obstetricians
- Nursing staff of labour wards
- Postgraduates and Registrars
- Obstetric anaesthetists

**Registration:**

To register, please email the completed attached form to [arunamuralidhar@gmail.com](mailto:arunamuralidhar@gmail.com)

**Fees: Individuals - Rs. 250, Institutions- Rs. 10,000 (Handouts for 30 candidates, Certificates for all attending)**

**BANGALORE RCOG TRUST**  
**CME ON CARDIOTOCOGRAPHY**
