

Improve ovulation & pregnancy rates in anovulatory PCOS women

NORMOZ

Myo-inositol, D-Chiro-inositol, Chromium and Vitamin D₃ tablets

Right Ratio (40:1) for Quicker Action in PCOS

In Female Infertility

OVARES PLUS

Melatonin 3 mg + CoQ10 100 mg + Micronized DHEA 75 mg SR

Rejuvenates, Protects & Energizes Oocytes

Free Paper Presentations

Calling for scientific presentations from post graduates/ obstetricians on the conference theme - INTRAPARTUM CARE.

Please email the abstract (word limit 250 words) in the format of Aim, Methods, Results, Conclusion to blorercog@gmail.com. You will be notified of your selection and the type of presentation (Oral/Poster) by the Scientific Committee on your email one week prior to the conference.

Last date for submission 15th September 2015.

WORKSHOP STREAMS

Hall A : Fetal /Maternal Surveillance

- Triage and Prioritising
- Ready-reckoners and Proformas
- Augmentation of Labour
- Monitoring In 4th Stage of Labour

Fetal Monitoring

- Cardiotocography

Maternal Monitoring

- Fluid Management in Labour and in Special Situations
- Pyrexia in Labour
- Managing Diabetics in Labour
- VBAC
- Managing Cardiac Disease, Severe Anaemia
- Thromboprophylaxis
- Labour Analgesia and FM monitoring

Hall B : Challenges As An Obstetrician

- Urgent Call to the Labour Ward!!
- Category 1 Caesarean Section
- Difficult Caesareans
- Convulsions in Labour MDT
- Flat at Birth (Video and Demo)
- Perineal Tear Repair (Video and Demo)
- Twin Delivery (Video, Demo, Internal Podalic Version)
- Breech Delivery Including ECV
- Prolonged Second Stage (Case Presentation And Demos)
- Shoulder Dystocia
- Postpartum Haemorrhage
- Cardiac Arrest

Hall C : Obstetric Analgesia And Anaesthesia

- Labour Analgesia-A Step by Step Guide to CNB
- Use of Early Warning Signs in Obstetrics
- Critical Incidents in Obstetric Patients
- Anaesthetic challenges in special groups
- Common Clinical dilemmas
- What's new in Obstetric Anesthesia
- Organisation of an Obstetric Anesthesia Unit
- Anticoagulation in Obstetrics- Panel Discussion
- GA in Obstetrics, Management of a Difficult Airway
- Management of Obstetric Haemorrhage
- Quiz

email : blorercog@gmail.com, www.blore-rcog.com

Greetings from Bangalore RCOG Trust!

Someone said "Although birth is only one day in the life of a woman, it leaves an imprint on the rest of her life"...

And so is helping with the birth process - an obstetrician's most important task.

Specially designed for current and future obstetricians, midwives, nursing staff and obstetric anaesthetists, the Bangalore RCOG trust invites you to a scientific extravaganza -

"Intrapartum care- Basics and Beyond", which we hope will enlighten us all with a host of updates on the core subject.

This one-of-a-kind conference comes packed with protocol updates, workshops, debates and lectures from renowned experts within and outside India.

Post graduate students will be given a forum to present data and pitch ideas in a free paper and poster presentation.

So get ready and block your dates to interact, update and enrich your knowledge on "Intrapartum care".

Warm regards,

Dr. Vidyamani Lingegowda

Hon. President, Bangalore RCOG Trust

Organising Chair, Intrapartum Care- Basics and Beyond

Expert International Faculty
