AICC RCOG SZ CONFERENCE 2026

25th & 26th July, Bengaluru

Hotel Chancery Pavilion, Residency Road

Theme - PPP (Predict, Prevent, Preserve)

www.blore-rcog.com

www.aicccogsz.com

Welcome Address

Dear Colleagues and Friends,

It gives us immense pleasure to invite you to the AICC RCOG - South Zone Conference 2026, hosted by the Bangalore RCOG Trust in the vibrant city of Bengaluru on 25th & 26th July 2026 at Hotel Chancery Pavilion, Bengaluru.

This year's conference, themed "PPP (Predict, Prevent, Preserve)", focuses on advanced clinical strategies and evidence-based practices in Obstetrics and Gynaecology.

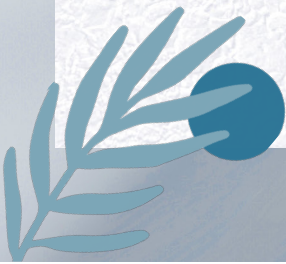

Our scientific program ensembles a distinguished panel of international and national experts to share pioneering insights into maternal health, foetal medicine, and gynaecological excellence. Curated to bridge the gap between breakthrough research and clinical application, the conference offers essential updates for your daily practice. Key highlights include our immersive workshops on gynaecological emergencies and multidisciplinary team management within the labour ward, designed to elevate your expertise and collaborative care.

Early bird registration is now open. We invite you to register early to ensure your participation in this conference.

We look forward to welcoming you to the Garden City for a weekend of rigorous academic exchange and professional enrichment.

Warm Regards,

The Organising Committee
AICC RCOG South Zone Conference 2026

Rajagiri hospital, Aluva, Kerala, India*

Dr U D Bafna

*Consultant Gynaec Oncology
BMJH, Bangalore*

Dr Uma Nambiar

*Chief Executive Officer
IISc Medical School Foundation, Bangalore*

SCAN TO SUBMIT

ABSTRACT SUBMISSION

When preparing your abstract, ensure your work addresses one of the following pillars as they relate to Obstetrics / Gynaecology.

Predict: Focus on screening, biomarkers, genetic testing or risk stratification, etc.

Prevent: Focus on primary or secondary prevention strategies- vaccinations, or prophylactic interventions, preventing caesareans, etc.

Preserve: Focus on fertility - sparing surgeries, conservative management or quality of life preservation, preserving uteri, preserving fertility in cancers, etc

Conference registration is mandatory for abstract submission

Win exciting prizes...
